CURRICULUM VITAE

Mr. EANG ENG THAY

St. VN. Sangkat Phnom Penh Thmey, Khan Sen Sok, Phnom Penh Capital, Cambodia.
Tel: 081 836 207
Facebook: Eang Engthay
Email: ngengthay@gmail.com

PERSONAL SUMMARY:

An ambitious and dedicated undergraduate civil engineer with strong practical and technical skills, eager to learn and gain valuable work experience in the field of engineering with a keen interest in structural engineering.

PERSONAL INFORMATION:

Name	: EANG ENG THAY
Sex	: Male
Date of Birth	: 29, March 2000
Age	: 24 years old
Place of Birth	: Kokor II Village, Kokor, District Kampong Siem Commune, Kampong Cham Province, Cambodia.
Nationality	: Khmer
Marital Status	: Single

EDUCATION BACKGROUND AND QUALIFICATION:

Present	work at Rabiica Construction and Design as a Structural Design Engineer
2017-2022	studied at National Technical Training Institute (NTTI)
2014-2017	studied at Tamang High School
2011-2014	studied at Kokor 2 Secondary School
2006-2011	studied at Kokor 2 Primary School

EXTRA-CURRICULAR ACTIVITIES:

- English:

Completed the part-time English class 6 levels at UC in 2019

- ❖ Short course:

2017-2018 completed in training course technical skill on Civil Engineering Level I at Leagis Polytechnic Academy

2018-2019 completed in training course technical skill on Civil Engineering Level II Leagis Polytechnic Academy

2019-2020 completed in training course technical skill on Civil Engineering Level III Leagis Polytechnic Academy

CERTIFICATE:

Qualification	Organizations	Rank	Place	Program Finished
Civil Engineer Major Level 1	Leagis Polytechnic Academy	2	Phnom Penh	August 23, 2018
Civil Engineer Major Level 2	Leagis Polytechnic Academy	B^+	Phnom Penh	December 11, 2019
Civil Engineer Major	National Technical Training Institute	-	Phnom Penh	July 02, 2022

Responsibilities:

- Checking and reviewing drawing standards template provided by the company
- Checking drawing specifications and detail drawings on the basic of Structural design engineer provide
- Do Typical Drawing and Shop Drawing

TECHNICAL SKILLS:

Office Application:

Microsoft word: 100%

Microsoft Excel: 100%

Microsoft PowerPoint: 100%

Detail Drawing Software:

AutoCAD 2D and 3D: 100%

Advanced Concrete: 100%

Revit: 100%

Sketch Up: 100%

Analyze and Design Software:

Robot Structural Analysis 100%

CSI ETABS 100%

HOBBIES:

- Joint at the library and coffee shop for reading the book and business talk & Sharing knowledge
- Research, reading books, playing football, and volleyball, Listening to CDs, and Watching TV(News).
- Group Gathering to Share a new thing to develop & update.
- Learning new things and practices to apply for following.
- Work hard with a daily (Daily plan) follow by a long-term plan and enjoy the result.
